If I Won, the Lottery....

I can imagine what my life would be like **if I won the lottery. Wow! I could do so many things**, and my life would be so different. **I would love the chance to change my life with the money.** The first thing **I would do is buy a big, new house.** I live in a small apartment, and I have always dreamed of living in a big house in the country. With all that money, **I could buy anything** I wanted. I don't have a car right now, **so I would buy a new car.** Or, **I might even buy a new motorcycle.** I like motorcycles, and I can imagine myself driving down the highway with the wind in my hair. Of course, if I won the lottery, I should give some of the money to charity. **I would probably give my money to a charity that helps sick children.** Also, if any of my friends needed anything, **I could help them pay for it.** I know many people that have student loans, **and I could help them pay the loans back. With all that money **I could open a fancy restaurant.** However, I know one thing I would not do is travel. I have a friend who won \$100, 000 in the lottery three years ago. She took the money and travelled for three months. I think she is crazy. Travelling is nice, but then she had nothing left after her vacation. I think, however, that the only problem with dreaming about the money **I could win is that I have never even played the lottery before.** As they say: "You can't win if you don't play."

TRADUCTION READING TIME

Puedo imaginarme cómo sería mi vida si ganara la lotería. Podría hacer tantas cosas y mi vida sería tan diferente. Me encantaría tener la oportunidad de cambiar mi vida con el dinero. Lo primero que haría es comprar una casa nueva y grande. Vivo en un apartamento pequeño y siempre he soñado con vivir en una casa grande en el campo.

Con todo ese dinero, podría comprar lo que quisiera. No tengo carro en este momento, así que compraría uno nuevo o incluso podría comprarme una moto nueva. Me gustan las motos y puedo imaginarme conduciendo por la autopista con el viento en el pelo. Por supuesto, si me ganara la lotería, debería dar parte del dinero a la caridad. Probablemente daría mi dinero a una organización benéfica que ayuda a niños enfermos. Además, si alguno de mis amigos necesita algo, podría ayudarlo a pagarlo. Conozco a muchas personas que tienen préstamos para estudiantes y podría ayudarles a pagarlos. Eso los haría muy felices. Además, si ganara mucho dinero, ciertamente lo ahorraría en el banco. Además, creo que si ganara una

gran cantidad de dinero, abriría un negocio. Me encanta cocinar y siempre he querido abrir un restaurante. Con todo ese dinero podría abrir un restaurante elegante. Sin embargo sé que una cosa que no haría es viajar. Tengo un amigo que ganó \$ 100 000 en la lotería hace tres años. Ella tomó el dinero y viajó durante tres meses. Creo que está loca. Viajar es agradable, pero luego de sus vacaciones no le quedó nada de dinero. Sin embargo, creo que el único problema de soñar con el dinero que podría ganar es que nunca antes había jugado a la lotería. Como dicen: "No puedes ganar si no juegas"
